

ASP.NET Junior Software Developer

Growing, dynamic company based in Monmouth County New Jersey is seeking an enthusiastic developer with the ability to learn company processes and development standards to maintain great Internet and Intranet websites and applications, while supporting the development team as we streamline and automate our internal business processes.

Candidates will need to have experience with maintaining programs written in C# and ASP.NET. You will have solid experience in delivery of web application projects working in accordance with defined project framework and procedures. The role will involve maintaining updates to existing systems and testing those changes before being introduced into production.

This is a challenging role involving producing work of high standard with a huge emphasis on attention to detail. This is a great opportunity for the individual looking for an environment which is varied and challenging, and also offers career progression for those with the right potential.

Required Qualifications & Education

- Associate's degree in Computer Science or Information Systems
- A minimum of 3 years of Hands-On experience with Development involving Microsoft.NET and SQL Server.
- Ability to support and maintain existing systems that use a variety of .NET technologies.
- A strong desire to learn to become a better programmer.

Experience with C#, ASP.NET, HTML5, CSS, AJAX, JavaScript, Web Services, IIS

- Experience maintaining applications utilizing [ASP.NET](#)
- An understanding of Object-Oriented Programming and the Microsoft .NET Framework
- An understanding of MS SQL/Server database and SQL language.
- The ability to read existing code, understand what it's doing, and review recommended code changes with team before implementing.
- The ability to write and test code based on user requirements.

- Experience with Agile development and Team Foundation Server is preferred.
- Experience with 3rd-Party controls is a plus; Telerik controls is preferred.

Full benefits package including medical, dental, vision, short/long term disability, life insurance, 401K

Salary will commensurate with experience.
